

With all of the changes and work taking place in downtown Greer the Property Committee wanted to give everyone some updates and reminders regarding parking around First Presbyterian Church.

On Sundays the following parking is available:

- The church parking lot is reserved for those requiring handicap parking.
- Street parking is available on School St, Randall St. and Victoria St., as well as other downtown streets slightly further away. Please be sure that when parking on these streets that you park with the flow of traffic in mind. Also please be aware of ongoing construction in multiple areas and be cognizant of traffic cones, utility openings and parking spaces corded off from access.
- Both the insurance agency at the corner of School and Victoria Streets and the White House Salon on School St allow us to use their lots on Sunday mornings.
- Century 3 (formerly, State Auto, at 112 S. Main Street) has given us permission to use both their visitor and employee lots on Sunday morning as well, but we will not have a crossing guard so if you choose to park here, please go to a cross walk and use caution when crossing (Main Street).

As you are thinking about parking please consider your specific needs for accessibility. If you are able, we would encourage you to park and walk a little further, reserving the parking closest to the church for those who have a need for easy accessibility.
