

Below are understandings expected for ALL FPCG players, parents, fans, coaches, gym representatives, and scorekeepers in our gym or in other church gyms:

- *Church basketball teams are made up of uniquely and wonderfully made Children of God; all with their own different gifts and skill sets!*
- *League rules mandate players must play each half.*
- *There are no tryouts for church basketball – all players are welcome!*
- *Church basketball is a ministry before it's a game!*
- *Coaches are volunteers who graciously give of their time!*
- *Players don't need coaches from the bleachers – they already have some on the bench with them!*
- *There are only two referees and they can't see every play from every angle. They may miss some. And, some may even be judgement calls based on age-brackets!*
- *Please cheer for your players and team but not at the expense of the opponents.*
- ***TO ALL GREER FIRST PRESBYTERIAN CHURCH players, coaches and fans:*** *Please represent our church in the very best way possible by demonstrating positive, encouraging, joyful Christ-like attitude.*
